25X1A

1. On 15 October 1962 this office submitted an Excepted Appointment Action (Reserve) (NTE 13 months) on [REDACTED], who at the time of his resignation as a staff employee on 16 July 1958, was a GS-15-5. This Excepted Appointment Action had been approved by your office.

2. We would now like to request that [REDACTED] be brought on board as a GS-15-8 at \$17,925 per annum as a Reserve Employee not to exceed thirteen months. Our request for the increase in salary is based on the fact that [REDACTED] is technically one of the outstanding individuals in the field of ELINT within the U. S. He can make a very significant contribution to the Agency's ELINT effort during the coming year. Since leaving the Agency in July 1958, he received a salary in excess of that of the current salary of a GS-15, Step 8, and now is in possession of several offers, all of which are considerably in excess of this figure. In order to secure [REDACTED] services, it is believed to be necessary to show an effort on our part in meeting competition. It is considered that making an exception and offering him a GS-15, Step 8, is in the best interest of this Agency.
